

Protect Your Paint

SURFACE PROTECTION FILM

[www.premiumshield.com](http://www.premiumshield.com)

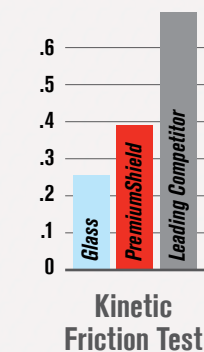

# OUR TECHNOLOGY

## State-of-the-Art Chemistry with Remarkable Properties

### The PremiumShield® advantage

By combining an industry-first clear coat with a tried and true aliphatic polyurethane resin, PremiumShield products are the ideal protective film for any surface.

PremiumShield is ultra-smooth, reducing stickiness and eliminating staining

Coefficient of Friction per ASTM D1994SGS U.S. Testing Company Inc. Test Report No: 177-2110789PPR1

### Our advantages make you money:

- No orange peel
- Industry leading clear coat that is extremely durable
- No loss of stretch, making installs easier than ever
- The “installer’s adhesive,” with minimal silvering and stretch marks!

**PremiumShield is the fastest film to install, with the most user-friendly adhesive system. Your install time is reduced, and you MAXIMIZE PROFITS!**

## Layers of Protection: Designed by Installers, for Installers!

### Top Coat

Won't fade or crack, eliminates acid rain and bird dropping marks, with **A LIFETIME WARRANTY**

### Aliphatic Urethane

6.5mil aliphatic urethane, non-yellowing, extremely flexible when conforming to sharp curves on difficult installations

### Acrylic Adhesive

The adhesive greatly reduces effects of silvering and stretch marks on dark color surfaces.

### PremiumShield and PremiumShield Elite

Acrylic Adhesive

Liner

\*Only available with PremiumShield Elite.

\*\*Also available in matte finish. Matte finish not available in PremiumShield Elite.

# OUR QUALITY

## Independently tested to meet all OEM requirements

PremiumShield is the easiest to apply, most durable, and flattest paint protection film for any vehicle. Once installed, it is practically invisible.

- With both real-time and accelerated UV testing, weatherometer testing, and abrasion testing that passes every OEM spec!
- PremiumShield has a five year replacement warranty, and PremiumShield Elite is guaranteed for a lifetime.

## MAXIMIZE PROFITS

Improve your bottom line with fast, consistent, quality installations

- A user-friendly adhesive that minimizes silvering and pull-back lines
- A glass finish that has no orange peel!
- A conformable top coat that lasts!

With the highest quality raw materials, and a warranty to match, PremiumShield delivers on all counts!

**PremiumShield delivers peace of mind you can bank on!**

# PROMOTE SALES

## *Get Noticed with PremiumShield Marketing Materials*

PremiumShield film is designed to practically disappear once applied, but PremiumShield P.O.P's are designed to really stand out!

- Posters, static cling decals, and fixtures with vibrant colors and stronger imagery give dealers a product that is easy to sell!
- Stand out, be seen, get sold!

**Brochures and literature holder**

**8' hanging banner**

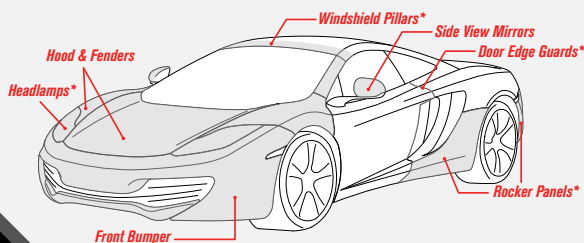

**Static cling decals**

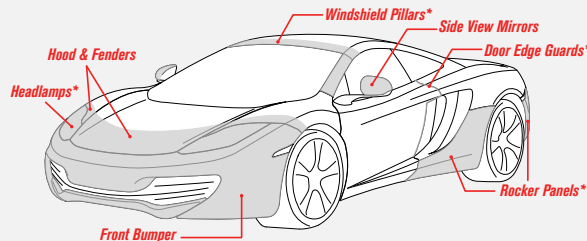

## *Available in a Wide Range of Sizes*

Made 100% in the USA, PremiumShield and PremiumShield Elite are available in the following sizes – 12", 18", 24", 30", 36", 48" x 100'. Custom sizes available.

Full hood and fender install using 60" film

Install using the Standard Kit
